@@@@

ORDER:

PM GatiShakti – National Master Plan is formulated by Government of India with a mandate to incorporate the infrastructure schemed of various Ministries and State Governments like Bharathmala, Sagarmala, Inland waterways, dry/land ports, UDAN, Economic Zones like Textile clusters, Pharmaceutical clusters, defence corridors, electronic parks, Industrial corridors, fishing clusters, agri zones etc., with a main objective to holistically integrate the interventions of various central Ministries and State Departments and address missing Gaps to ensure seamless movement of people, goods and services to make the Business competitive boost economic growth attract foreign investments and enhance the country's global competitiveness.

2. In G.O. 1st read above, Government has Constituted Institutional Mechanism constituting Empowered Group of Secretaries (EGOS) creation of Network Planning Group and Technical support unit on the lines of Central Government for operationalizing State Master Plan.

3. In the reference 3rd read above, the DOI, A.P., has informed that, the DPIIT has launched the "Handbook for District Collectors: PM Gati Shakti National Master Plan (NMP) for Area Development Planning". The DPIIT informed that PM Gati Shakti NMP has been effectively adopted at central and State level. During this process, the it felt a need for active involvement of different institutions at the grassroots level including district level authorities.

P.T.O

4. The DPIIT through the handbook has asserted that the District Collectors possess a unique and comprehensive understanding of their respective districts, including their priorities and infrastructure requirements. They hold valuable knowledge about the specific challenges and needs of their districts and can also verify data at the grassroots level. The DPIIT has further underscored the pivotal role played by District Collectors / Municipal Commissioners in promoting adoption of PM Gati Shakti at grassroot level.

5. He has also informed that, DPIIT aims to converge Aspirational District Programme (ADP) with PM Gati Shakti to achieve comprehensive socio-economic development of 500 under-developed blocks under ADP. The ADP programme has 5 major themes viz. Health & Nutrition, Education, Agriculture and Allied Services, Social Development and Basic Infrastructure having 39 Key Performance Indicators (KPIs). Several of the KPIs have corresponding data layer accessible under National Master Plan. This integrated data and relevant attributes will be helpful for effective planning and decision making of socio-economic development in the region. Further, it will enable better planning, governance and collaboration between different Ministries / Department and District Officials by leveraging geospatial technology and data available on NMP portal.

6. Government after careful examination of the matter, hereby constitutes an institutional mechanism for District Level Planning and Appraisal through constitution of District Coordination Committee (DCC). The committee structure and Terms of Reference (ToR) for DCC as proposed by DPIIT is as follows:
